No. 4:18-CV-0011 CDP

MEMORANDUM AND ORDER

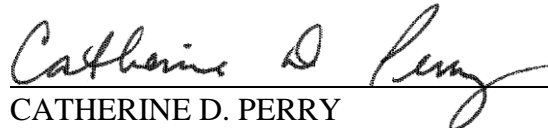

Before the Court is petitioner's motion for reconsideration of the dismissal of his application "for the Court to take judicial notice of adjudicated facts." After reviewing the grounds raised by petitioner, the Court will decline to alter or amend the judgment of this Court. The Court concludes that petitioner's motion fails to point to any manifest errors of law or fact, or any newly discovered evidence. Instead, the motion can be said to merely revisit old arguments. Petitioner is therefore not entitled to reconsideration of the dismissal of his petition, and his motion will be denied.

Accordingly,

IT IS HEREBY ORDERED that petitioner's motion for reconsideration of the dismissal of his petition "for the Court to take judicial notice of adjudicated facts" [Doc. #6] is **DENIED**.

IT IS FURTHER ORDERED that no certificate of appealability shall issue.

Dated this 21st day of March, 2018.

CATHERINE D. PERRY
UNITED STATES DISTRICT JUDGE
